Following the interesting morning gathering, the visitors were taken to the M. E. Church where the Ladies Aid Society had prepared a delicious chicken pie dinner.

CLEVER PLAYERS WIN PRAISE AT BAZAAR

The Congregational Ladies Aid Society held its annual bazaar Friday night of last week which was largely attended. The clever players who presented the "Universal Exchange" won much applause.

Mrs. Burlingame had the leading role in the farce, "the quiet affectionate" Mrs. Era Exchange who connived to win a partner and help-mate Vi Vacious (Roy Bill) whose classy appearance and shy demeanor made a decided hit. Mrs. Burmester as Mrs. Tyred Mann and R. C. Bancroft as Mr. Tyred Mann were excellent in their characters as was H. D. Burmester as the marrying preacher. Miss Edna Cooper was adorable when in sight and the rest of the cast was well portrayed, including the dashing Mrs. Tickett (Dorothy Bancroft)

Rev. Mr. Hanniford of Kenwood entertained with Scotch songs imitative of Harry Lauder; "I think I'll Get Wed Next Summer" was one of his selections. Lyle Campbell rendered two violin selections accompanied by Miss Grace Barr.

The bazaar features were liberally patronized.

Booths were in charge of the following:—Coffee, Mesdames Carter, Edrington, Rankin; Ice Cream, Mesdames McAllister, Hiser, Miss Jessie Hiser; Candy, Mrs. Chas. Cutter, Mrs. C. E. Johnson; Grab Bag, Mrs. Erickson, Mrs. Z. Lane, Miss Beth Lane; Fancy Work, Mrs. F. W. Dobbel, Mrs. L. H. Golton, Misses Agnes and Ethel Revie.

Mr. and Mrs. Geo. Samuel are having a visit from their aunt, Mrs. H. C. Scott of Berkeley.

Retired Butcher Is Run Over By Auto After Disappearance From Sanitarium

Henry Weber, Sr. who for many years conducted a butcher business in Sonoma but retired and was later stricken partially blind, met a tragic end in San Francisco Wednesday when he was run over by an auto and received injuries from which he died this week. Mr. Weber had been a patient at Lomita Park Sanitarium in San Mateo county for some time past and disappeared from that place Tuesday evening. Despite a wide spread search upon the part of the Sanitarium attachees who were aided by the police and by Mr. Weber's daughter, Mrs. Purviance, the aged man could not be found and was unheard of until discovered in a San Francisco hospital Thursday, suffering from fatal injuries. He had been brought to the Emergency Hospital at 10:05 o'clock Wednesday night following an accident at 11th and Howard Sts. where he had been run over while crossing the street by an auto driven by Curt Gossell of 21 Duncan street. How he came to San Francisco, or the circumstances of his trip from the vicinity of Lomita Park has as yet been undetermined. It was his custom to take short walks around the sanitarium, although he had been admonished not to leave the place, after his usual exercise the day of his disappearance. In some way however, he made his way to the crowded city where he was struck by the auto. Gossell gave himself up to the police following the accident and now faces a manslaughter charge.

Mr. Weber succumbed to a fracture of the skull and internal injuries. He was semi-conscious at periods subsequent to his passing and seemed to recognize his daughters, Mrs. Purviance and Mrs. Grover Rubke, who were at his bedside. A special nurse gave him every care night and day but the severe injuries, combined with pneumonia, and his advanced age hastened his death.

Deceased was 76 years of age and a native of Kaiserlauden, Germany.

Mr. Weber had been a resident of California many years and was employed at Del Monte before locating here. In San Francisco he met and married Sophie Peters, who preceded him to the Great Beyond six years ago. Of this union, four children survive, Mrs. Grover Rubke, Mrs. Geo. Lowell, Mrs. Purviance, and Henry Weber Jr. Mr. and Mrs. Rubke and Mr. and Mrs. Lowell went down from here for the funeral on Wednesday. Services were from the Suhr undertaking parlors with cremation at Mt. Olivet. Many beautiful flowers were the tribute of relatives and friends to the former Sonoma business man whose sad death is sincerely regretted by many acquaintances throughout the state.

BANK OFFICIALS STAR IN MOVIES

The Sonoma Photo Play Corporation whose studio is located here staged a realistic bank robbery Monday in which President F. M. Burris and Director F. F. Wedekind of the Valley National Bank were screen heroes. While the progressive actors went through the performance of a thrilling raid upon the vaults of the institution, the latest recruits to filmdom were making ready to descend upon the robbers with rifles and rout the "thieves" Burris and Wedekind put them to flight in realistic fashion as with guns leveled they pursued the fleeing desperadoes to the street. A big crowd witnessed the making of the picture and opinion was divided as to whether Burris or Director Wedekind was vieing with Bill Hart for screen honors.

Mr. Binney was much pleased at the cooperation given by the bank and others on this scene which is one from the "No Account Count."

The next comedy to be filmed by Binney will be the story of a strong man who masqueraded as a woman. It is said to a knockout..

She sustained three fractured ribs and for a time internal injuries were feared. Mrs. McAllister had taken Miss Peck home and was returning to town when the accident happened. Passersby gave first aid and Dr. Hays was summoned. After being conveyed to her home the injured lady suffered considerable but at this writing is reported resting more comfortably.

Mrs. McAllister is a prominent Eastern Star member and a large circle of friends hope for her speedy recivery.

HEAD ON COLLISION OF MACHINES MONDAY

The Lesti brothers of San Francisco who were going toward the city on the Black Point road early Monday morning, collided head-on with a car driven by J. Cochrane of San Rafael. The Lesti car came out of the wreck badly injured, Henry Lesti was severely hurt about the knee and otherwise cut and bruised. Dr. Thomson treated the men who were brought to Sonoma following the accident. Cochrane was unhurt.

The Young Peoples Society of the M. E. church had a pleasant social at the Wm. Rambo home near Vineburg Wednesday night.

Young Attorney Marries

Ernest Clewe and Miss Genevieve Haily To Be Married at Swedenborg Church in San Francisco.

The second wedding in the same family during the week will be solemnized today when Attorney Ernest G. Clewe of the pioneer Sonoma family will claim as his bride Miss Genevieve Haily at the Swedenborg church in San Francisco. The ceremony will be performed at 4 o'clock this afternoon by Rev. Mr. Milliken of Piedmont, formerly pastor of the Sonoma Congregational church.

The groom-to-be is one of the leading young attorneys of San Francisco. After graduating from the University of California, he entered a prominent law firm, and from that time made a rapid rise in his profession. He was one of counsel in the famous Bell estate litigation and won for the heirs their inheritance.

Mr. Clewe's bride is not known here but is declared to be a charming young woman by all who have met her. The young couple will take up their residence in San Francisco after the honeymoon.

LOSS OF LOVE MATTER OF $300, NOT $10,000

Wm. J. Van Dine who was charged by N. E. Yocum with being a love pirate and sued for $10,000 damages for alienating the affections of Yocum's wife, Amy Yocum, will only have to pay $300, so Judge Ross Campbell decided in the superior court of this county last Saturday after exhaustive testimony had been taken.

In his decision Judge Campbell goes thoroughly into all the phases of Yocum's complaint. In deciding upon the two main issues, alienation of the affections of Mrs. Yocum and the depriving of Yocum of his wife's society, comfort and assistance, Campbell cites the testimony given by Yocum as the best evidence. Yocum admitted on the stand, the decision reminds, that he got up and left his wife, that it was not she who left him; that he told her on more occasions than one that if she ever found someone she cared for more than him, he would not stand in her way; that the day he left the family home he admonished Van Dine, to keep her and take care of her. He admitted, too, while on the stand, that if Van Dine had respected this admonition and not turned away from Mrs. Yocum afterward, he would never have instituted a damage action.

In view of these and other admissions on the part of the plaintiff, Judge Campbell rules, there is nothing to indicate that he was moved to seek damages purely because of the loss of his wife's affections or because of Van Dine's participation in an act in which Mrs. Yocum acquiesced. To the contrary, his move seemed to have been actuated more by a desire to punish the defendant for his part in the domestic triangle, is the opinion of the court. Yocum, however, the decision recounts, is entitled to nominal damages, in view of the fact that his marital rights were violated by Van Dine.

Mr. and Mrs. Yocum formerly resided on the Foster ranch in Sonoma Valley and were neighbors of the Van Dine's. Yocum was employed at the ranch and his little blonde wife was accused by Mrs. Van Dine of vamping her husband. The scandal finally resulted in the Yocums leaving here and going to Napa. Van Dine and his wife separated, and Van Dine is said to have followel the woman to Napa. It was then that Yocum brought suit against him for alienating the affections of his mate and causing him anguish and damage to the amount of the ten thousand sought in the courts. It was Van Dine's contention that the Yocum's connived against him.

The entire contract will run into about $8000. The Rochat home and its castly furnishings was one of the big losses in the fire last September. Mrs. Gatchell has decided to build another sanitarium and a $1500 structure for the nucleus of the health resort is now in the course of construction. The Frederickson's are building a 2 story house in Woodleaf Park and the Cabanot bungalow is about ready for occupancy. B. Cabanot has decided to build a one story business block where the Woodleaf is temporarily located.

It is reported that the Silverstein's will erect a big rooming house on the highway frontage recently purchased from Mr. Cabanot.

Contractor R. E. Murphy has the contract to build a 25 room hotel for the Schaeffer's on their property near the bath house. The new fire house is still doing business at the old stand and Chief Cause says the latch string is always out. He is occupying his cozy boudior which was built during his absence in the East.

Mrs. Dudley Ayres (Isabell Fletcher) has bought the Cabanot property on the highway where she was to open a store before the fire, and will build for the Smart Shop she is to conduct there.

Bob Liaros is making ready for the rebuilding of his barber shop and a store on his property opposite the depot.

EL VERANO NEWS

By ARCHIBALD McKIVER

A farewell party was given at the Sutter home last Saturday evening in honor of Miss Anne Millitello, pretty young lady from Buffalo, N. Y., who has been spending some time visiting California relatives. Neighbors and friends on the eve of her departure for her home enjoyed a pleasant time, including dancing, singing and an elaborate dinner which was served by Mrs. Sutter. All present wished Miss Millitello a safe journey and extended an invitation to return to California again.

Mrs. H. Kiefer of San Francisco and Mrs. G. Menter of Hayward were visitors in El Verano last week.

Miss LaTorres of San Francisco was a guest at the Joost home on Sunday.

The S. P. passenger train from Santa Rosa Tuesday morning killed two large Christmas hogs near the Morris ranch. The sudden applying of the brakes caused the wheels of the coaches to slide for some distance, and when the train was finally stopped the porkers were ready for sausage.

Mr. and Mrs. W. Sloater have purchased a home near the El Verano Villa and have taken possession. The Sloaters come from San Francisco.

The rock crusher plant of Bruskey & Trainer collapsed last Saturday, causing some little excitement among our natives and the employees. Luckily, no one was hurt, but the equipment of the plant was considerably damaged.

Mrs. William Kirby, who has been here caring for her mother, Mrs. Thomas, left Sunday for her home ni Watsonville. The latter, who is much improved in health, has returned to San Francisco.

Mr. and Mrs. J. Guibbini of San Francisco were over Sunday guests at the Danieli home.

Harold J. Binney, of the Sonoma Photoplay Corporation, was a visitor in El Verano Monday.

Miss Emily Kearney has returned home after a several days' visit with the Aubreys in Oakland.

Tom Caulfield, accompanied by his father, were business visitors in El Verano Saturday. Caulfield, Sr., is a veteran Sonoma County cattle dealer, and now resides in Petaluma.

The pretty new home of D. E. Decker, in Sonoma Vista, is almost completed. Mr. Decker lost everything in the recent fire.

Constable Tellifson of Guerneville was a business visitor in El Verano Monday.

Mr. Lynch, formerly of Sonoma Valley, but now of Richmond, was exchanging greetings in El Verano last week.

Roy Chance of the Mare Island navy yard is on a furlough from the government plant, and will spend some time with El Verano relatives.

Elmer Owens, of Verano, the village parson, has thrown his hat in the ring as a movie star, and there is no doubt that our esteemed friend will make good in his new vocation. Elmer has been in the movies at Hollywood, and will start off here as a veteran.

The local S. P. passenger crew which was called to Oakland recently were exonerated of all blame in connection with the wreck of the engine tender recently. The investigation showed the accident to have been unavoidable.

Louis Wachlin of Vallejo, who several years ago resided here, and conducted a hotel, died at his home in Vallejo last week. Mr. and Mrs. Wacklin were visitors in Sonoma Valley only a few weeks ago, and the many friends of Wachlin will be sorry to hear of his demise.

Howard Spreckels of San Francisco was a visitor at his ranch, Sobre Vista, Sunday.

El Verano marksmen will journey to the Stornetti ranch Sunday where a turkey shoot will be held. The delegation from this town expect to clean up on Christmas turkeys for the big dinner. Bloss Keechler, champion of Sonoma Valley, will be among those who attend and it is rumored that Ferd Norrbom of Sonoma will on this day try to regain his lost laurels which Keechler won at the recent El Verano shoot.

A new contender for the horse shoe throwing championship has appeared in Emile Cornelius, Sonoma mail carrier. Emile offers to bet any of the heavyweight heavers of Santa Rosa that he can put that old good luck emblem over the peg. Sunday at his new barn yard golf links in Sonoma, Emile defeated all comers.

Walter Paulson and Jim Lawrence, Sonoma fishermen, were S. P. passengers for Napa Bridge Sunday, in quest of striped bass. The fish were not biting but they succeeded in getting a few.

Mr. and Mrs. Al Rossi were visitors at the Rossi home. Mrs. Rossi and daughter will remain until after the holidays, while Albert has returned to Suisun where he is an S. P. switchman.

Our beautiful gypsy queen has left, after having told the fortunes of most of the natives. Some were told they were to receive fortunes, while the bachelors were warned of pretty girls who were trying to vamp them.

Miss Irene Dowdall is visiting Oakland friends and doing Christmas shopping.

Henry Koerner was a spectator at the Kolb and Dill show in San Francisco last Saturday. The famous German comedians are better than ever Henry says, and played to a full house. Koerner has been an admirer of these actors for many years and never fails to attend their show.

J. Batto & Sons, of Vineburg, were unloading a mixed carload of feed at their warehouse here Monday.

Rumor has it that the county has taken over some new roads running through Sonoma Vista.

A number of our fair ones, and also the writer, are wondering what has become of Easy Jim, Vineburg reporter, and are worrying over his long silence.

Among the star base ball players at Boyes Springs are Hal Ryan and wife, Pete Compton and wife, and the old big leaguer himself, Jimmie O'Connell, and wife. The boys are all full of pep and eagerly awaiting the time when spring training will begin. In the meantime these ball tossers are getting their batting eye educated by shooting quail, and Ryan never goes in quest of these elusive birds without bringing in the limit. The boys are all glad to get back to the Valley of the Moon and their many friends and admirers welcome them to the old training camp.

The king of sports, horse racing, is coming back to Sonoma Valley. At the Spreckels ranch the track is being cleaned up and put in shape. Some good racing will later take place and a number of live nags tried out, much to the delight of admirers of the great game of racing. This track is one of the finest in the state.

Josh Binney's moving picture outfit took El Verano by storm Wednesday when H. S. Smith as sheriff and Cassen and Kaufman, deputy sheriffs, ran the hold-ups of the Sonoma bank in a wild auto chase through this city. The two bandits, Chipman and Hawkins, after being trailed through the wooded mountains and wilds of the western foothills, escaped on a south bound S. P. train, going at the rate of ten miles an hour. The thrills of the picture which Mr. Binney is taking in Sonoma Valley was witnessed by a large crowd who assembled around the S. P. depot as the actors who took part did their stuff, thus putting El Verano on the map in this great picture that is to be shown all over the world.

AUTOMOBILE ALMOST PLUNGED INTO BAY

At the Richmond pier of the Richmond San Rafael ferry during the fore part of the week, County Clerk W. W. Felt had a narrow escape from plunging into the bay. The ferry for which he was waiting was half an hour late, and in the rush that followed its landing, the dack hands were probably careless in mooring the tie lines. The tide was unusually low, and the apron leading from the pier to the boat was exceedingly steep.

The machine just ahead of Felt sped down the apron, landing on the deck with great force. Felt came more slowly, however, and had just rolled onto the apron when the deckhands signalled wildly for him to stop. He jammed on his brakes suddenly, then looked up to see the boat gliding away.

With a machine not more than a foot behind him, and the yawning chasm only a few feet in front of him there was nothing to do but hold his car on the steep incline until the boat was propelled back to the pier. Felt, accompanied by his wife and three daughters, says he breathed a great deal freer when he felt something solid under his front wheels once more. The sudden jar of the car running off the apron onto the deck is thought to have caused the boat to drift away with the outgoing tide.

"UNDER TWO FLAGS"

The great play, "Under Two Flags" in which Blanche Bates won fame years ago, may now be seen on the screen. The beautiful star, Priscilla Dean, appears in the part of "Cigarette" at Fetters Theatre tomorrow night. An humble girl of Algiers danced her way into the heart of a regiment. She schemed her way into the confidence of a treacherous shiek, and fought like a tigress to die for the man she loved. Priscilla Dean is incomparable in this play.

A CHRISTMAS SIGN OF THE TIMES

With a look as searching as that which swept the sky when the Star of Bethlehem held the attention of the wise men of long ago, the hopeful Christians of today scan the horizon for a sign of peace, peace which shall be abiding and put an end to outlawed war. Each Christmastide has made more zealous the efforts of those seeking peace, not for one country, but for the world. One country cannot hope to sway the world, but civilized nations working in accord will and must turn the tide eventually to a sound and sane solution.

Christmas approaches this year, bringing with it more promising signs of the peace plan than ever before. It has concentrated and interested theorists to the point where we have the American Peace Award, under which a prize of $100,000 will be paid for the best practicable plan to prevent war. Plans have already been submitted and are being judged. The winning plan will shortly be published in these columns. Your endorsement or rejection of the idea will be asked.

Shortly after the beginning of the new year a definite peace plan the product of the best brains of the country will be placed before you. Whether the plan is ever adopted or succeeds matters little in comparison with the fact that this Christmas finds us working seriously and hopefully as a nation and as a people for world peace.

LITTLE FOLKS HAD BIRTHDAY PARTIES

Last week the Edgar Cements home was resplendent in the holiday color, red, for the birthday party of Mrs. Clements' daughter, Lenore, who celebrated her eighth birthday. The color scheme was most effective and carried out in the table decorations, where kewpie dolls dressed in Colonial style and diminuitive tennis rackets were the favors.

A delicious repast, games and contests comprised the diversion of several hours, enjoyed by fifteen little friends of Miss Lenore.

Carl Lindley, six year old son of Mr. and Mrs. Harry Lindley, celebrated his birthday Monday. A beautiful birthday cake aglow with candles, candies and other good "eats" were enjoyed while music and merry making held sway. Many presents and remembrances came from relatives and friends from several western states, including Utah, where Master Lindley formerly resided.

Mr. and Mrs. Ed Lindley and son and Mr. and Mrs. Fred Hansen were among those present at the party.

OUR READERS TO VOTE ON THE PEACE PLAN

The following letter from the American Peace Award Committee, is self-explanatory:

"New York City.

"Mr. W. L. Murphy,
"Sonoma, Calif.

"Dear Mr. Murphy:

"Our committee asks your courteous and prompt consideration of the following matter:

"It concerns the American Peace Award, created by Edward W. Bok, and offering $100,000 for the best practicable plan whereby the United States may co-operate with other nations looking toward the prevention of war. The competition closed on November 15th.

"The Jury of Award will announce its selection about January 1st. In January at the same time when the text of the plan is released, we are arranging, through a vast though informal popular 'referendum,' to get the judgment of the people of the country upon it. The text of the plan and a coupon for voting will be placed in the hands of every man and woman who can possibly be reached. The 81 great national organizations co-operating with us and representing a total membership of at least 50,000,000 persons, are already communicating with their members, impressing upon them the importance of voting in January and thus making effective their individual point of view on a matter so near the hearts of us all.

We shall be able to send you in early January the release of the text of the winning plan, accompanied by a coupon or your readers to sign and mail back to us directly. The coupon would bear the signer's name and address, a statement as to whether or not he or she is a voter and a 'yes' or 'no' vote as to whether he or she approves the plan in substance.

"We have everyevidence that the people you reach are vastly interested in the Peace Award and the opportunity it offers, without partisan or political bias, for the American people to say what they wish our relation to the rest of the world to be.

Note that we do not ask you to endorse the winning plan, but merely to give your readers a chance to participate in what bids fair to be the greatest informal referendum ever conducted in this country, without any reference to whether the vote is favorable or unfavorable.

"Sincerely.

"ESTHER E. LAPE."

Divine service at Trinity church, Sonoma, Sunday evening, Dec. 16, at 7.30 o'clock. The Rev. Wm. S. Short of Santa Rosa will officiate. All are welcome.

To Whom It May Concern:

You will please take notice that on or about July 1, 1922, a Ford automobile belonging to one John Noller was brought to the Palace Garage, at Sonoma, Sonoma County, California, of which I was proprietor. The said car carried license number for 1922, 150238 engine number 377916, and I was instructed to care for same. Since the date above mentioned I have had said Ford automobile stored in my garage continuously, and the amount due for safe keeping and storage is $71.00, no part of which has been paid; therefore it is my intention to sell said automobile at public auction, to be held at the Palace Garage on Saturday, December 22, 1923, at 11:00 a. m., to satisfy the lien and the costs of sale.

TO CO-OPERATE ON HARDING MEMORIAL

Mayor Fred Bulotti of Sonoma has received the following communication from Mayor James Rolph of San Francisco relative to Harding Memorial Week and has brought the matter to the attention of local religious, civic and school organizations to further the good work:

PROCLAMATION:—In accordance with the invitation of the President of the United States and the other members of the Board of Trustees of the National Harding Memorial Association, the week from December 9th to 16th will be observed throughout the Nation as Harding Memorial Week.

Sunday, December 9th, has been set aside as Harding Memorial Sunday and I respectfully suggest that the spiritual leaders of our community bring to the attention of our people assembled in various places of worship the inspiring message of the late beloved President's life, a life whose greatness lay in spreading the doctrine of universal friendliness

To perpetuate his great human qualities, a national memorial is to be established. This is entirely distinct from the local Harding Memorial park which San Francisco has dedicated as a special tribute in memory of the late President who passed away in this city.

The National Memorial will be a tribute from the people of the entire United States. It comprises three features: perpetuation of the Harding Homestead at Marion, Ohio; the erection of a fitting Mausolem on a site to be chosen by Mrs. Harding and endowment of a Warren Gamaliel Harding Chair of Diplomacy and Functions of Government in some great central University.

To bring these plans to frutition a nation wide response is necessary. I feel sure that San Francisco in the fullness of her heart will join generously with the other cities of this country. The National Committee suggests that contributions be made during the special Harding memorial services.

Mrs. Molly Johnson of Crockett, accompanied by her two daughters and a party of friends motored to Sonoma Valley last Sunday and greeted old friends. Mrs. Johnson formerly resided near Buena Vista.

The engagement is announced of Sadie Rotenberg, handsome daughter of Mr. and Mrs. J. Rotenberg of Buean Vista to Sam Klibanoff, a San Francisco wholesale commission merchant.

THE SOUTHLAND DUO AT THE HIGH SCHOOL

For the Christmas week attraction the Sonoma Valley High School is bringing to the community two talented young ladies who call themselves "The Southland Duo." The date is Wednesday, Devember 26th, the day after Christmas.

This attraction is the first of a series which the student body of the

SOUTHLAND DUO

high school is bringing to Sonoma. One of the serious aims of a high school is to raise the standard of recreational interest among young people. They should be taught to demand the best in art and music, the best in literature and physical recreation. One way to cultivate better tastes is to bring to our community entertainment of a better quality. No agency is better prepare to do this than a high school. If, therefore, you are asked to buy a season ticket to a series of three attractions, remember the object is not to raise money for the student body, it is not a mercenary motive. the only purpose is to provide the community and the school with attractions which so many people hunger for and which young people must have for their finer development of character. High class attractions are a part of an educational laboratory.

The Southland Duo—Miss Mabel Carrico and Miss Virginia Winn—is well named. One's work is the complement of the other. Their voices blend perfectly, while the instrumental accompaniment leaves nothing to be desired.

Miss Carrico features her violin. One of the most popular parts of this whole beautiful program is that which includes her violin obligatos.

The Southland Duo program is one of the finest examples of team work and expert program building to be found.—adv.

SONOMA HAD PRIZE WINNING CAT AT ST. FRANCIS SHOW

THE CUP THAT CHEERED

Down in a San Francisco hospital is George Warren of Sonoma, the well known and kindly old poultryman who won fame a short time ago through his display of beautiful White Leghorn hens, prize winners at the Egg Laying contest conducted by the Sonoma County Farm Bureau.

Mr. Warren is somewhat downcast at being sick in a hospital at holiday time and last Monday was feeling quite blue until a visitor was announced, his neighbor and friend from Sonoma, Mr. W. W. Carter, who came bringing a gift, a gift that made Geo. Warren's eyes sparkle and started a smile that would have done your heart good. The gift was the silver cup won by Warren's hens, and presented to him as third prize in the recent contest. The cup, a handsome trophy, stands a foot high and on it is engraved, "Third Prize Pen, 1922-1923. Received 1957 Eggs From 10 Hens in 364 Days." Just as the patient was feasting his eyes on the silver cup, his nurse came in with Mr. Warren's portion of egg nog. It was an opportunity the kindly old man could not miss. He held out the cup and asked that he be permitted to drink from it to his prize winning pets and the future success of the stock which is his pride.

Mr. Warren is resting more comfortably this week but as the seriousness of his illness has not yet been determined, his two maiden sisters in the east have been communicated with.

HIGH SCHOOL NOTES

The Students' Welfare Commtitee helds its first meeting at noon, Friday December 7th. Roy Wirtz, president of the Student Body, is also president of this committee, and during the meeting Geraldine Gear was elected secretary, Theodore Anthenian first vice president, and Anna Noyes second vice presient. The committee was organized to promote school morale and better the attitude of the students in all their activity. The best discipline and best training for citizenship is to practice it when young. This committee will study the problems of student activities in other schools, get the best ideas and spread them among the student organization. The members of this committee are: Seniors—Irma Adler, Theodore Anthenian, Anna Noyes, and Roy Wirtz. Juniors—Herbert Tracy, Mike Kiser, and Ernest Bosch. Sophomores—Geraldine Gear, Wallace Hall and Alan Bean. Freshmen—Leila Rouquie, Albert Tracy and Henry Soulie.

Lyle Campbell, of the faculty, is in charge of the sale of Red Cross stamps and each day finds him prodding delinquent students to bring in their dimes and quarters.

The teachers' meeting held on Wednesday caused much enjoyment among the students because school was dismissed at 3 o'clock instead of the usual time, 3:40.

Miss Jayne Eberhardt, a popular young Sophomore, had the misfortune to sprain her ankle while sliding down a chicken house roof Sunday. She was at school again Wednesday. Next time, Jayne, take something closer to the ground—the cellar doro, for instance.

A basket ball game, Sonoma versus Petaluma, will be played in Petaluma tonight (Saturday). The game promises to be hot and interesting. Don't miss it.

Several cases of measles have cropped out in Glen Ellen and a few Glen Ellen students have been unable to attend school owing to the malady.

Thursday found all students on their best behavior. The convention of the officers of the P. T. A. of this district was held at the high school, and during the day they visited the classes. Luncheon was served at noon in the Methodist church.

PRETTY HOME WEDDING IN SAN FRANCISCO

At the home of Rev. and Mrs. T. Holt in San Francisco Monday, Miss Marie Clewe was married at high noon to Trevenon Taylor of Los Banos. Rev. William Milliken officiated in the presence of 25 relatives and close friends. Miss Doris Clewe, sister of the bride, was bridesmaid, and William F. Clewe of Sonoma was best man.

Following the impressive ceremony which united the young couple, there was a dainty wedding breakfast during which Mr. and Mrs. Taylor were heartily congratulated.

Bride and groom were the recipients of many lovely gifts, including a chest of solid silver, the gift of the Clewe family to their youngest sister on her wedding day.

Mr. and Mrs. Will Clewe and family motored from Sonoma to be present at the happy event and joined relatives from other places at the home of Helena Clewe Holt. It was regretted that Professor F. Clewe of Los Angeles, one of the bride's brothers, could not come north for the wedding.

PROGRESS ON NEW CARQUINEZ BRIDGE

Rapid progress on the $1,250,000 concrete substructure of the Carquinez Brige is reported by the Duncanson-Harrelson Company, contractors in charge.

Two-thirds of the construction wharf being erected in Crockett in connection with the work on Pier No. 4 is completed and a $300,,000 contract has been signed for the work on this pier.

This contract calls for the construction of a large cofferdam, concrete piling, and erection of the concrete substructure to high water level. In connection with this contract, work on pouring the concrete piles was commenced this week and 350,000 feet of lumber was ordered.

The completion of Pier No. 4 will take about three and one-half months according to the engineers in charge.

This finds the schedule of construction well in hand and sees the bridge well along to the promised date of completion in 1925.

Miss H. Justi of Glen Ellen is improving from a recent illness and is now able to sit up every day.

MONEY IN THE COUNTY TREASURY

According to the reports of Supervisor William King, Auditor Olney Pedigo, Assistant District Attorney Jack Ford and County Treasurer J. Ramage, Sonoma County has a total of $1,250,000 in the various county funds.

TO SPEND WINTER IN SAN FRANCISCO

Mrs. H. J. Saxl of Cave Dale was in town Wednesday after an absence of six weeks in San Francisco and San Jose. In the latter city while visiting relatives there was quarantine for diphtheria, so the Sonoma Valley lady was cut off from all communication with her Sonoma friends. After a short stay at her mountain home here she returned to the city to spend the winter.

Mrs. Saxl is a prominent member of the Improvement Club at Cave Dale and has done much good work for her locality.

"Oh boy ~this feels good"!

And the warmth of Pearl Oil *is* good to come back to! Turn it up to full flame—heat? A roomful in no time! No oily smell with Pearl Oil—but a clear, steady flame that warms you through and through. Soon as the room's warm enough — turn the wick down as low as you like.

Pearl Oil will burn brightly on all day long with no fuss, muss or one drop wasted.

To insure best results, use only Pearl Oil — the clean-burning, uniform kerosene—refined and re-refined by the Standard Oil Company's special process. "Coal oil" or "kerosene" may mean *any* kind of kerosene—say "PEARL OIL"—copyrighted for your protection.

Horse-Wranglers.

A horse-wrangler is a herder in charge of a string of ponies on western stock farms. The origin of the phrase has been assumed to be an extension of the verb "wrangle" in the sense of wrestling or struggling with refractory horses in the bunch. In England, he is a horse dealer.—Literary Digest.

Eager for Promotion.

Victor had just passed from first to second grade, and the various school phrases impressed him, when he and mother were in the waiting room of a dentist, Victor became impatient for his turn and piped up, "Gee, I hope we get promoted next."

UNDER THE MISTLETOE

"Oh, professor, see the big bunch of mistletoe I have hung on the chandelier," exclaimde the young lady, standing under it and smiling roguishly.

Young and Learned Professor (looking near-sightedly through his glasses)—"Ah, yes, it is an excellent specimen of the Viscum Album, of the order Loranthacaea. It is a jointed dichotomas shrub." And that was all.

RING OUT

Ring out! Ring out! ye happy bells,
and make a joyous lay.
For Christ the child has come to us
and we would have him stay;
Make ev'ry hill and valley ring, fill
earth and sky with cheer.
For we who have received the Christ
would show him welcome here.
—F. H. Sweet.

(©, 1923, Western Newspaper Union.)

AT CHRISTMAS TIME

We ring the bells and we raise the strain,
We hang up garlands everywhere
And bid the tapers twinkle fair.
And feast and frolic—and then we go
Back to the same old lives again.
—Susan Coolidge.

IN MERRIE ENGLAND

The English Christmas is not unlike ours, save that we do not have their pretty custom of "bringing in the yule." In almost every family in England the boys and girls gather about the burning log on Christmas Eve to sing carols and tell Christmas legends. Often the children who live in the country assist at the dragging in of the huge log. An English child would not feel that it was Christmas if there were not a bit of mistletoe hanging in the hall, under which the unwary are kissed soundly. Little and big eat the rich and blazing plum pudding, and all join in the singing of Christmas carols and churchgoing.

A WISH

A Merry Christmas, yes, a day of laughter,
And here's wish for every day thereafter:
When Christmas goes, as it of course must do,
May every day that comes be merry, too.
